

# 216 South Beach Road Jupiter Island, Florida

***Unlimited Possibilities with Panoramic River Views***

Enjoy the peaceful setting of days gone by, or create your own custom residence on this extraordinary riverfront homesite. The early Island estate is nicely hidden away on approximately 6.2 acres of lush tropical landscape featuring a remarkable 330 +/- feet of white sandy beach along the Intracoastal Waterway. The 6-bedroom, 5.5-bath main house surrounds a pool and offers 4,240 +/- square feet of living space, including a 2-story wing with a full master suite and an upstairs sun terrace. A separate guest house has been constructed more recently providing 1,040 +/- square feet of comfortable accommodations. There is deep water dockage along with a separate garage and tennis courts on the property. Build your ultimate dreamhouse with a backdrop of the wide Indian River and colorful Florida sunsets.
