Tranquil Golf Course Setting

Impeccable taste in interior appointments defines the gracious character of this artfully designed, traditional custom home that boasts a prime location overlooking the 4th hole of the Village Course in Jupiter Hills. Expansions of high impact glass windows and French doors combine to bring an abundance of natural light into the 3,946 +/- square foot interior that features 4 bedrooms, a den and 5 baths. Among the fine appointments are sleek, quarter-sawn pine floors that flow from the foyer and living room into Travertine marble flooring in the kitchen, dining area, and family room. Rich pine wood tones continue into a double door entry with built-in bookshelves and matching crown moulding.

Designed to maximize outdoor views, both the living room and family room feature multiple sets of French doors that open onto the porch and pool deck. The ultra spacious gourmet kitchen creates a fabulous centerpiece for the home. Topped by granite surfaces, expansive work areas include an oversized center island with bar counter, a second island with wine storage, and a planning deck. State-of-the-art SubZero and Viking appliances combine with softly hued custom cabinets for a look that is both stunning and streamlined. The kitchen opens into a casual dining area and a bright family room with fireplace, vaulted ceiling, and recessed lighting.

Split floor planning provides the utmost privacy for family members. One wing of the home features a large master suite that opens onto the pool deck, and a guest bedroom with bay window. Two guest suites are located on the opposite side of the home, along with a fully equipped laundry room.

Jupiter Hills, one of South Florida's finest private golf clubs, is located in a beautiful natural setting between the Intracoastal Waterway and Jonathan Dickinson State Park, just a short ride from the Atlantic Ocean and the Palm Beaches.
