

An aerial photograph of a golf course. In the foreground, a large, multi-story house with a grey shingled roof and a swimming pool is visible. The house is surrounded by lush green trees and landscaping. Beyond the house, the golf course extends into the distance, featuring several sand traps, green fairways, and a large, dark blue pond. The overall scene is well-maintained and scenic.

Spectacular Vistas from "Sunset Hill"

Thoughtfully designed and stylishly furnished, this 5,510 +/- a/c square foot custom residence is perched high on a 1.38 +/- acre premium homesite. "Sunset Hill" is complimented with a complete 2 bedroom, 2 bath (1,500 +/- sq. ft.) guest house attached by a covered portico. Outside, the uniquely elevated decks surround the open heated pool & spa optimizing the spectacular golf course and lake views. Built in 1982, and renovated to perfection in 2000, the custom residence is filled with fine appointments such as wood floors, built-ins, and crown moldings. A fully-updated kitchen includes granite countertops, top-of-the-line appliances and an abundance of pristine white custom cabinetry. Other quality features of note are fireplaces in both living and family rooms, a wet bar and built-ins in the family room, and a charming cabana-like sunroom with a wood-beamed ceiling which overlooks the expansive pool deck and the 275+/- feet along the golf course.
